Jayde Transport

PROJECT BRIEF

The client, [Jayde Transport](#) is an Australian Freight Transport Company, which was established in 1978 and specialises in the provision of road and rail interstate transport services, wharf cartage and container handling, as well as warehousing and distribution. As the part of the company's strong growth strategy, a new head office and interstate branch located in Forrestfield, WA was required in 2012.

WBS INDUSTRIAL'S ANSWER

WBS Industrial worked in partnership with a Perth building company to fabricate, deliver and install a building that offers 300m² of Office Space, 500m² of enclosed Warehouse, a 250m² Mechanic's Workshop where all in-house maintenance on our vehicles is conducted, 1500m² of Undercover Cross Dock, and 4000m² of Hardstand space.
